Sir,

Sub:- Tenders for repairs and supply of spare parts to Public Health Lorry MDX 818 - waiving of requested

---

37670

One of the conservancy lorries MDX 818 was sent to Messrs Shanker Vittal Motorsx Co.Ltd for repairs to make it fit for half yearly inspection. This is one of the approved workshops which the Council had selected for ~~xhixkxxbexxxxxxkx~~ repairs of Municipal Lorries. The cost of repairs was estimated to be Rs 300/- and sanction of Council was obtained incurring this ~~expkxxxxkax~~ expenditure. The total cost of repairs, cost of spare parts, construction of a new body and painting the same was exceeded the tender limit of Rs 500/- and had amounted to Rs 1341-8-0 under rules relating to ~~xxxikxxkxxxxf~~ tenders invitation of tenders should have been invited for this work as the total cost of repairs has exceeded Rs 500/-, but this could not be done as it was not known in the beginning what were the repairs and materials required for the lorry. The different items of works and spare parts required could be judged only after the engine was opened in one workshop, other workshops do not give tenders as it is not possible for others workshops to examine the engine which is carraged in other workshops

The council in resolution No. 796 dated 6-[illegible]-51 copy obclosed have sanctioned the expenditure of Rs 1341-8-0 incurred for building of a new body to the lorry MDX 818 and has also resolved to address Government to waive tenders in this case

It is therefore bequested that the Government may be pleased to waive the tender in this case for reasons explained above.
